

## ***For Immediate Release***

The Atlas-Apex Group of Companies, which encompasses a wide array of specialties including Roofing, Construction Services, Land Development, Software, Manufacturing, Renewable Energy, 3PL Logistics, and Aviation, is excited to announce the latest expansion of our business portfolio – the launch of Atlas-Apex Paving Inc. This new addition represents a significant milestone in our journey towards broadening our horizons and diversifying our service offerings.

Atlas-Apex Paving Inc. embodies our unwavering commitment to growth and reflects our ambition to deliver top-quality paving services in new markets. With a fresh approach and a commitment to redefining the sector, our dedication to excellence will ensure that we stand out in a competitive industry, attracting clients and partners who value quality and innovation.

We are poised to leverage the collective strengths of our existing group of companies, which are bolstered by our experienced management team and state-of-the-art software technology, we are well-positioned to achieve our goals of growth and seizing bidding opportunities within the paving industry.
